Mr. Haller;

I am a member of REACT International, and we have a number of teams that have GMRS equipment. My team here in Phoenix has just purchased the equipment to get us up on GMRS, and we are concerned that the new "refraining" (PR Docket No. 92-234) will render our equipment obsolete. Causing us considerable loss. We are a strictly volunteer organization and the only income we have is donations, and limited fund raisers.

Sincerely

LeRoy A. McDaniel
